

Contact person during your stay

Andrea. C is the responsible for student rooms, and she will be your main contact during your stay. You can communicate with her in English, Spanish, Catalan and French (the language you prefer!) for any issue related with the accommodation.

Her phone number is: + 34 670 914 781

On the first day of your arrival, or in its default, the next working day, she (or a person of our team) will meet you in your flat in order to proceed with your check-in and solve any concern or doubt you might have about the accommodation and the city in general.
